## ABOUT US

The Adelaide Croatia Raiders Junior Football Club has been established since 1952 and is one of the state's oldest and largest soccer clubs. Our home ground is situated within the state sports park at the Croatian Sports Centre and we have over 300 junior and senior players that use our facilities. The Junior Football club has grown in leaps and bounds over the past 5 years, with significant improvements in the level and standard of football and administration. Season 2012 looks particularly exciting with most teams competing in A and B divisions, and with more emphasis on teaching our players technical skills, the next Mark Viduka or Harry Kewell could very well be amongst us!
